Bite Size R

The Package Ecosystem - Exercises

Keith Hurley

April 24, 2019

Try to complete the installation of the following packages onto your computer. These are packages that will be used during the Bite Size R series. When you are done installing, use the "library" function to load the packages and test that the installation was successful.

1. Install the tidyverse package

2. Install the rinat package

3. Install the rebird package

4. Install the devtools package
